TE-STIMONIALS

Muthu Annamalai Venkatachalam

This program helped me improve my communications skills, team work, technical skills as well as time management. Hope to be back for the next edition and grab exciting projects!

Smriti Singh

At first I was so unsure about how to begin with "Opensource" but then DWoC happened!! DWOC surely taught me how to contribute in open source projects as well as leveraged my other skills.

Kanishka Aggarwal

The event was wonderfully organized, and the organizers were supportive and encouraging. It was a life-changing event and was a huge step in my journey in the field of open source contributions.

Sakshi Bhandarkar

Participating in Dwoc 2020 was the first time I participated in an Open Source program and I'm glad that I got so much exposure to start my open source journey.
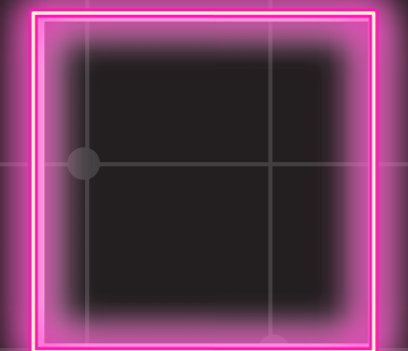

CLOSING NOTE
TO THE TECH DIVERSITY

Being a vibrant knowledge society, we focus on uplifting the taste of technology. Inviting back the developers and the domain entities into the conference to energize the full-stack world.

❝ A diverse mix of voices leads to better discussions, decisions, and outcomes for everyone. ❞
~ Sundar Pichai
